Hi Carmen,

I'm just checking in on the status of EPA's review of our recent data submittal and preliminary grading plan for the Pechiney Vernon site. If possible can you please provide an update on the review and anticipated timing for approvals. I need to give the team (Pechiney, DTSC and the City) a schedule/progress update.

Thank you,

Linda Conlan, PG

Subject: Important: PCBs - Pechiney: Grading Plan

Hello Linda:

I hope you enjoyed a great Holiday Season.

We are in the process of reviewing the information that you sent in your letter dated December 29, 2010. That letter mentions that a preliminary grading plan will be submitted under separate cover. However, we have not received the grading plan. I need the grading plan to continue the review of the package that you sent. My review will be on hold until I get the grading plan. Please let me know when I should expect the that plan.

Thank you for your courtesies and please call me if you have any questions concerning this message.

Regards,
Carmen
